vitations to a house warming and dinner next
Tuesday from 12 to 2 o'clock at their new home,
1238 East Second street.

The dwelling of Paul Best burned Thursday
morning near Hebron. The flames started from
a defective fire in the kitchen. The household
goods were fortunately saved.

The official returns of the November election
have been received from all but three counties
by the Secretary of State, Carlisle, Pulaski and
McCracken not having yet reported.

was set in Judge Whitaker's Court for yester-
day afternoon, has been postponed till next
Wednesday.

In 117 counties there were cast 60,505 votes
for the Constitutional Amendment and 41,053
against it, leaving a majority of 19,452 for the

they have sent in their returns for everything
else.

The Fayette National Bank of Lexington is
confronted by a mistake, made by somebody,
and a lawsuit will follow. A Mr. Crow and
wife deposited \$2,000, as they claim, the Teller
entering that sum on their pass book. The
Bank claims the Teller made a mistake; that
only \$1,000 was deposited and refused to pay a
check of depositors when presented for the sum
first named.

Floyd Webb and William Hopkins escaped
from Jail at Owingeville Thursday in an unusual
way. Webb's mother was standing in the door
talking to her son, Hopkins and the Jailer.
Suddenly she shoved the Jailer into the Jail and
the two men escaped simultaneously. Leo
Brown, a prisoner, prevented a wholesale Jail
delivery, and released the Jailer. Webb was
caught by C. L. Williams, a Methodist Preacher,
and Hopkins was caught soon after.

The Mason County Branch of Burley Tobacco
Growers Association has appointed Messrs.

as its members of the Board of Control in this
county, and the farmers have selected Messrs.
C. M. Devore, Scott Stevenson and Tom Collins
as their representatives on the Board. The
members appointed by the Association have
selected Mr. W. Scott Osborne as their Inspec-
tor, and the members elected by the farmers
have appointed Mr. Frank Goodwin as their In-
spector.

A Remarkable Case.
One of the most remarkable cases of a cold,
deep-seated on the lungs, causing pneumonia, is
that of Mrs. Gertrude E. Fenner, Marion, Ind., who
was entirely cured by the use of One Minute Cough
Cure. She says: "The coughing and straining so
weakened me that I ran down in weight from 148
to 95 pounds. I tried a number of remedies to no
avail until I used One Minute Cough Cure. Four
bottles of this wonderful remedy cured me entirely
of the cough, strengthened my lungs and restored
me to my normal weight, health and strength."

OCEAN WHITE FISH.

50 cents a Pair net. M. C. RUSSELL CO.

Mr. Nicholas Gollensten left this morning
with the County bloodhounds for Garrison, about
ten miles above Vanceburg. A store was rob-
bed there last night and they want the hounds
to find the thieves.

Yesterday the cigar factory of E. A. Robin-
son & Co. closed its doors in order that its en-
tire force of fifty employees, and the proprietors
as well, might in a body attend the funeral of
their shopmate, Martin Smith Minton. Owing
to the wants and necessities of a large family
and protracted sickness, Mr. Minton at the time
of his death needed financial aid, and these men
saw that he received it. Two of the employees
were selected to raise a fund, and after secur-
ing \$40 in the house they went among the good
people on the outside and increased it to \$140.
They used to bury their late companion and the
residue was given to the bereft wife. Could
anything exemplify brotherly love more than
this righteous and noble act?

MRS. JOHN PETTY.

Mrs. John Petty died of consumption at her
home in Covington Tuesday, aged 47 years.

chant.

city.

zances of James Payton and John A. Burke, who

clared forfeited.

ghter and sentenced to the Penitentiary for 15
years.

William Hickie and Mitch Liggett, charged
with burglary, were dismissed.

Mrs. Della Smith was granted a divorce from
H. C. Smith and was restored to her former

of Kentucky in the recent election for Gov-
nor shows a total vote of 437,281. Unofficial
returns from Carlisle, the missing county, are
1798 votes for the two leading candidates, show-
ing a total vote in the state of 439,079. The
official count will not change these figures 100
votes.

A disastrous wreck occurred at Matewan, W.
Va., yesterday morning. Engineer Lewis Far-
rar, through confusing orders, passed a meet-
ing point and ran a local freight head on into
a second extra. Many cars were demolished.
Engineer Farrar was caught in the wreckage
and instantly killed. William C. Penn, brake-
man, and William Shepherd, brakeman, also
were instantly killed.

Fire-swept walls that threaten to fall at any
moment are all that remains of the old Masonic
Temple Building at Louisville. Fire, which is
supposed to have been caused either by a cig-
arette or cigar stump tossed aside in the fire,
or by some defect in the electrical wiring, start-
ed in the rear of Hopkins's Theater, which oc-
cupied the main portions of the house, at 3 o'clock
yesterday morning. The curtains, scenery and
stage paraphernalia furnished rich food for the
flames which swept through with irresistible
fury. The entire Fire Department could do little
save prevent a spread. The total loss will be
about \$200,000, of which \$90,000 is on the
building owned by Jones Brothers.

A Scientific Discovery.
Kodol Dyspepsia Cure does for the stomach that
which it is unable to do for itself, even when but
slightly disordered or over-loaded. Kodol Dyspep-
sia Cure supplies the natural juices of digestion
and does the work of the stomach, relaxing the
nervous tension, while the inflamed muscles of that
organ are allowed to rest and heal. Kodol Dys-
pepsia Cure digests what you eat and enables the
stomach and digestive organs to transform all
food into rich, red blood. Sold by J. Jas. Wood &

WHY THESE
Corsets Are Low
Priced...

Often a corset manufacturer finds himself in possession of
surplus materials that he doesn't want to make up for his regular
stock. To get them out of the way he will turn them into corsets in
every detail up to his regular standard in model and workmanship
but at much lower prices.

Such a happening accounts today for an interesting lot of
stylish coutil corsets at 75c that would regularly sell for \$1. Sizes
18 to 30.

WOMEN'S RAINCOATS.

The woman who buys a raincoat nowadays makes a sort of
two-for-one investment. She gets a fair weather wrap as well as a
rainy day protector.

Of course it's because the styles of raincoats have so vastly
improved and the choice of materials is so much wider.

You won't find a better rain coat collection in Mayeville than
ours and you certainly won't find such moderately priced excellence
anywhere. Many attractive styles at \$15.

See the Difference

It is the American point of sensitive-
ness not to know how to do things as they
are done by recognized authority.

Recognized authority is another name
for Style. If a woman has Style you
know it at once. You examine her cre-
dentials in your first glance at her shoes.
If they are not stylish she is not.

The "Style of a Dorothy Dodd" shoe
is the first thing that attracts attention.
It is unmistakable. The "Dorothy Dodd"
is as different from an ordinary shoe as
day is from night.

But don't take any one's word for
it. Try on a pair and see the difference in
the appearance of your feet.

ASA SOUTHWORTH, 65 years old, self styled "the Democratic Howler," died at Georgetown a few days ago. Three days before death he dictated his epitaph: "The truest Democrat in Scott county." With apologies to his whiskerettes, this is a trifle rough Judge CANTRELL.

THE PANAMA Canal will reduce distances between New York and San Francisco from 13,244 miles to 5,299; between New York and Manila from 19,530 to 11,585; between New Orleans and San Francisco from 14,419 to 4,698; between New Orleans and Manila from 19,930 miles to 4,698; between Charleston, S. C., and San Francisco from 13,179 miles to 4,498; and between Charleston and Manila from 19,465 miles to 10,809.

NEWPORT, a Republican city, and Lewis county, a Republican stronghold, voted against the proposed Constitutional Amendment. Some of our Republican friends don't appear to be very sincere in their talk about "encouraging capital" in Kentucky. —Evening Bulletin.

Yes; it is a painful truth that some Republicans are just as big darned fools as some Democrats. But, Brother, if you'uns and we'uns could sort out all the good, patriotic, enterprising, state-loving, honest-elections Democrats and Republicans, and get them into one party— But what's the use of talking about the Millennium while turkeys are selling at 13 cents a pound on the hoof?

If Mr. ROOSEVELT is successful in capturing the Republican nomination for President he will make one step further than any other Vice-President ever has done. No Vice-President of the past has ever succeeded even in being nominated for the Presidency. When CHESTER A. ARTHUR, who succeeded GARFIELD, was a candidate for the Presidential nomination in 1884, ROBERT G. INGERSOLL said—

"No Vice-President was ever made President by the people. It is natural to resent the accident which gave the Vice-President the place. They regard the Vice-President as children do a step-mother. He is looked upon as temporary, a device to save an election, a something to stop a gap, a lighter, a political raft. He holds the horse till another rider is found. People do not wish death to suggest nominees for the Presidency."

CHICAGO produces more unique things than sky-scrapers, drainage canals and Anarchists; but about the "unique" is the proposed "sympathetic strike" of a lot of snoot-nosed boys in one of her Public Schools because their teacher, Miss Ida M. STODDER, rides on electric cars manned by non-Union crews. The trouble between Miss STODDER and her pupils arose Monday evening after school, when a number of boys saw her board a Wentworth avenue electric car at Forty-third street. Next morning before school the boys held a meeting in the dressing-room and demanded a pledge from their teacher that she will not ride on the cars. It is not stated whether the good lady used her slipper on the proposed "strikers," but that was the proper "pledge" to have given them.

A CITIZEN'S STORY.

Told By a Maysville Citizen For the Benefit of Maysville People.

The greatest importance attached to the following is that it concerns a Maysville citizen. It would lose three quarters of its interest if it involved some resident of Kalamazoo, Mich., or Woonsocket, R. I. Like all the testimony which has appeared here, and like all which will follow about the Old Quaker remedy, Doan's Kidney Pills, it comes from residents, fellow-citizens and neighbors. No other remedy can show such a record of home cures. Read this case:

Mrs. R. R. Housh of 394 Forest avenue says: "Doan's Kidney Pills quickly relieved Mr. Housh of backache which had been a source of discomfort to him for some time. I procured the remedy at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and its proven value is so great that it should be known throughout the world."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

THERE are now no independents in the Senate, the membership being divided between 57 Republicans and 33 Democrats.

WITH a joint majority of 76 in the next Legislature, it remains to be seen if the Democrats will give Kentucky a new Capitol Building worthy of the state.

A FINANCIAL authority states that the American indebtedness abroad is now smaller than for years; which shows that Uncle Sam is wobbling along very successfully, notwithstanding the burden of "Protection to American Industries."

AND now comes Judge TARVIN of Covington and orders the Grand Jury to investigate the reported election frauds in that city. It is sincerely hoped that there will be no smothering of the facts, but that every violator of the law, whether Republican or Democrat, will be promptly placed in the Penitentiary.

AND now comes Colombia, a little 2x4 province that hangs on the edge of South America, and threatens eternal annihilation of the United States if the latter dares to maintain its position in Panama. Bully for Colombia; but, sonny, if it took DEWEY and SCHLEY just steen minutes to wallop Spain with her 17,550,216 people, how old would ANN's little brother be before they could spank the 4,600,000 inhabitants of your one-horse show?

CARRIE NATION, the notorious Kansas "saloon smasher," who now thinks she is an actress, ran over from Baltimore the other day and made such a vigorous effort to see President ROOSEVELT to tell him how she wanted the Government managed, that the police had to dump her out of the White House Grounds. She then went to the Senate and made such another show of herself that she was arrested and taken to police headquarters. It's a pity that this old hen isn't confined somewhere where she will be deprived of all opportunity to make any further public exhibition of her assinity.

A New York dispatch to The Louisville Herald says Wall street is trying to discover who is behind the New York Security and Warehousing Company, which, it is said, would loan the Burley Tobacco Growers Association the sum of \$10,000,000 on condition that the Association would raise \$2,500,000, with a view to controlling this year's crop.

There is a company called the New York Warehouse and Security Company, with offices in the Corn Exchange Building, but an official of that Company says it is not financing any tobacco transaction in Kentucky.

At a meeting in New York of the Board of Directors of the American Flag Protective Society it has been decided to incorporate with the Daughters of the American Revolution, Sons of the American Revolution, G. A. R., Spanish-American War Veterans and other patriotic organizations and unite on one bill to be introduced at Washington to protect the American Flag from misuses and desecration. This fact is printed in THE LEDGER for the information of the gentlemen down in Colombia who are promising to do all sorts of things to Uncle Sam's Flag in case he doesn't pull it down in Panama.

The stoves have been put in the streetcars for the comfort of the patrons.

The gross earnings of the Chesapeake and Ohio for October were the largest for any one month in the company's history.

Elsewhere in the statement for the State National Bank, its undivided profits now amount to \$9,939.14, and the individual deposits are \$446,091.04.

Miss Clemmie Tolle has taken a position with the George H. Frank clothing house. Miss Tolle is in charge of the neckwear department. To have your necktie properly adjusted you should have Miss Clemmie do the tying.

The alarm of fire this morning was caused by a small blaze at R. A. Carr's flouring mill. A spark from the smoke stack lodged in the dust bin and ignited the frame structure. The accustomed promptness of the fire boys put it out in short order. Damage very slight and that by water.

Mr. H. R. Praither of East Germantown, Ind., formerly of Murphysville, and a subscriber to THE LEDGER, met with a very painful accident Thursday last. While working on the railroad near Richmond, Ind., his foot was caught between a tie and a rail, badly crushing his ankle. His Maysville friends express their regrets and hope he will soon be out again.

THE LEDGER leads in all, and is the favorite paper of the people.

The Indiana National Bank at Elkhart, Ind., was closed by the Controller as the result of a steady run for several weeks which it could not stand.

Miss Minnie Clephane entertained at her home in Second street Tuesday evening in honor of her cousin, Miss Bertha Ort of Mayaville, who will leave soon to make her future home at Bellevue. "Musical and flinch" were the features of the evening's entertainment, and at a late hour the young folks departed after having spent a most delightful evening. The Best Remedy for Croup.
From the Atchison (Kan.) Daily Globe.
"This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hive syrup and tulu, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to 'throw up the phlegm' quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by J. Jas. Wood & Son.

MACBETH.

The Ohio correspondents of The New York Dramatic Mirror have to say regarding the performance of "Macbeth" by Mr. John Griffith and company:

Sandusky—John Griffith, November 4th, in "Macbeth," played to a large and appreciative audience. Mr. Griffith gave a fine interpretation of the difficult role of Macbeth and was supported by a well-balanced company.

Wapakoneta—John Griffith November 6th in "Macbeth." Excellent performance and good house.

Tiffin—John Griffith November 9th in "Macbeth" to good business and a well pleased audience.

At Washington Opera-house Thanksgiving night, November 26th. Seats on sale at Ray's Tuesday morning.

The Tacoma will pass up tonight for Pomeroy.

The Kanawha coal fleet will begin passing here today. It consists of 174 pieces.

The advance of the Pittsburgh coal fleet will reach here tomorrow. There are 350 pieces in the first run.

The rise in the river last night and this morning at this point brought it a considerable distance up the bank.

The Keystone State passed up last night for Pittsburgh. She will be followed by the Virginia next Tuesday.

On account of the large fleets of coal which are in the Cincinnati harbor, and the expected arrivals, there is a scarcity of lines for the securing of floating property.

The coal shipments from Pittsburgh Wednesday amounted to 1,700,000 bushels in barges. The steamers having it in tow are the Coni City, Cruiser, Dave Wood, Enterprise, Tom Reed and Harvester.

The Burnside, an up-river packet, has been repaired and overhauled on the Queen City Marine Ways. When finished she will be as pretty a boat as plies in the short trades on the Upper Ohio.

For Thanksgiving Day the C. & O. will sell round-trip tickets to all points not exceeding 150 miles at rate of one and one-third fare, except no ticket sold for less than 50 cents. Tickets on sale November 25th and 26th; return limit November 30th.

Very Low One Way Settlers' Rates to the West.

Be sure your ticket reads via Big Four Route. Three daily trains, morning, noon and night. Very low one way colonists tickets on sale every day until November 30th, 1903, to Washington, Oregon, Idaho, Montana, Utah and British Columbia.

Corresponding low rates in effect every day until November 30th to California points. If you are contemplating a trip to any point in the West you will find it to your interest to write to the undersigned, stating fully your point of destination, your nearest railroad station, the number in your party and the date you wish to start. He will give you full information, the exact cost of your trip or, if you so desire, will call on you in person and explain everything fully to you. Rheumatism Cured.

Mr. Michael Doran, Youngstown, Ohio, says:

"I suffered for a long time with acute Rheumatism in my knee. I tried all kinds of remedies, including an expensive course of electric treatment, all in vain. At the suggestion of my druggist I took a bottle of Paracamp to try. The effect of its use was magical. I got relief at once and after using three or four bottles believe I am permanently cured. It is a wonderful remedy, and upon my advice a number of my friends have tried Paracamp, and the verdict is unanimous that it is all it is claimed to be. I come of my own accord with this statement because Paracamp is a blessing."

Sincerely,
"MICHAEL DORAN."

"He Won't Die"

Of consumption is a remark often made of a fleshy man. The remark expresses the popular recognition of the fact that the sign of consumption is emaciation, loss of flesh. On the other hand, a gain in flesh is a sure sign that wasting diseases are being cured.

Emaciated people with obstinate coughs, bleeding lungs, night sweats and weakness, have been perfectly cured by the use of Dr. Pierce's Golden Medical Discovery. The several cases of the cure were recorded in ounces and pounds of increasing weight. When there is gain in flesh the wasting disease is being surely cured.

Mr. Will H. Whitmore, of Arkton, Rockingham Co., Va., writes: "Our son contracted a deep cold about the first of July, 1899, and had a terrible cough. We called a doctor and he pronounced it irritation of the bronchial tubes, with asthmatic trouble, and he informed me that my son was liable to die at any time. He told me that if we could keep the bronchial tubes open, he would cure him, but after treating him several weeks and my son growing worse all the time, I concluded to try Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets.' I had seen several almost miraculous cures brought about by the use of these medicines, and of course I had wonderful faith in them. He used three bottles of 'Golden Medical Discovery' at home and one visit of the 'Pellets,' and was then well enough to go to West Virginia, taking a supply with him. I am just in receipt of a letter from him from which I quote: 'I am well and hearty and getting very fleshy.'"

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overrated. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup; so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottles, 25c; regular size, 75c. At Henry W. Ray's, next door to Postoffice.

Cured of Piles After 10 Years.

Mr. C. H. Hany of Geneva, O., had the piles for 10 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, lacerations, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. Sold by J. Jas. Wood & Son, Druggists.

You Can Be Cured.

No. 11 Cedar Terrace,
Holt Springs, Ark., April 28, 1903.

When I was first married I found that my strength and health were gradually diminishing. I became nervous and irritable, and was in bed a week and sometimes ten days of every month, and had intense bearing down pains. My husband had the best physician for me and I used his medicine for nearly four months, but I gradually grew worse, had less strength, and finally, I was unable to leave my bed at all.

A friend who was calling on me brought me a bottle of Wine of Cardui and was so loud in its praise that I told her that I would take it to please her.

I was surprised and pleased that before I had used the bottle I really felt better, so I kept on using it. Eight bottles brought back my lost health and strength, and I have not had a sick day in six months.

ETTA FINNEGAN

THANKS TO ST. ANDREW'S SOCIETY.

WINE OF CARDUI

Mrs. Finnegan had little hope of relief because she knew that every time she had those spells of ineffectual suffering with attendant bearing down pains she was weaker. And every month the pain was growing more severe.

But Mrs. Finnegan was cured by Wine of Cardui. She is now so well that there are few women who would not be glad to have the health she has. And any woman who has those dreaded bearing down pains can have the same relief.

You can be free from menstrual irregularities if you take this pure vegetable wine. Why don't you take it when you see what it has done for others? Secure a bottle of Wine of Cardui today.

Your druggist has \$1.00 bottles.

A Wife and Mother

Should not be exposed to the schemes of self-styled financiers. So think a great many men who instead of leaving their insurance in bulk to their widows, have counseled with The Mutual Life Insurance Company of New York, and adopted a course, which has eventuated in something like the plan of the late

Archibald N. Waterhouse, of Philadelphia, who died suddenly last Friday and who held policies amounting to \$60,000 in The Mutual Life Insurance Company of New York. The forms of insurance under which these policies were issued were so selected that his widow will receive at once \$20,000 in cash and an annual income of \$4,000 for twenty years, and if she is living at the end of that period she will receive \$60,000 in cash, making the total amount received under these policies \$140,000, on which the premiums paid by Mr. Waterhouse amounted to only \$27,492.50.

(From Philadelphia Record, Nov. 13, 1903.)

In writing for terms on similar policies, state what you would like to receive in cash at the end of the limited payment period, amount you would like your beneficiary to receive in event of your death, and give your age.
